

Student Comments for RUSSELL-BROWN, SHERRIE LYNNE for Spring 2019

Course	Comments
HR 20000 Sec: 03	Professor Brown is the kind of teacher that makes you want to do the work and participate. She is incredibly kind, supportive, and fosters an amazing classroom environment that truly allows students to feel heard, respected, and valued. She gave us a sense of community that made her amazing class an even better experience. You could tell she's truly passionate about what she teaches and it makes you want to learn more and do more. We discussed several important topics in this class that were incredibly relevant to today's political climate. She really prompted amazing and in-depth class discussions. This class was the highlight of my semester and if it weren't for the fact that she's leaving this semester, I would have taken her second course.
	Professor Russel-Brown's Human Rights class was one of the best classes I've taken at Hunter. She guided the class in having profound and intellectual discussions that I will carry with me long after I have graduated. Her grading was fair and her teaching style was efficient. Although the class did not pertain to my major, I'm now much more interested in learning about and perhaps even working in Human Rights. I'd highly recommend this class.
	AMAZING PROFESSOR!!
	Professor Russell-Brown embodies the concept of Human Rights. She is expertly kind, honest, genuine, and truly an inspirational human being. I'm so lucky to have been in her class.
	You were the greatest professor I've ever had in college, and I doubt I will meet a better one. You've actually sparked my interest into the human rights field, to the point that I'm considering it as a career path. Thank you for all you've provided for me, and for the entire class!
	One of the best classes I have ever taken!
	Outstanding good class!
	I am thrilled and delighted that the class I was hoping to attend was closed before I could register in January so I ended up in Prof. Russell-Brown's Intro to Human Rights course. Her knowledge of the field, ability to transmit that knowledge to her students and engage all of us with the subject was evident from the very beginning and has grown with each class. She has enriched our understanding and experience with field trips to the UN. Her concern for and enjoyment of her students is evident; she treats all students with respect. Additionally, the snacks she provides at each class help stave off the afternoon blood-sugar drop!! Prof. Russell-Brown is truly generous with both her intellect and her ability to care for all of her students. How lucky are all who are able to be in her classes. Thank you so very much, Prof. Russell-Brown!
	One of the best professors in Hunter. Professors such as her really make this college shine like a star. Such a caring and knowledgeable teacher that explains difficult topics so easily. I really enjoyed her class and the UN visits as well. Overall, a great class that tremendously increased my knowledge in HR and a wonderful instructor.
	Professor Russel-Brown is simply one of the best people I have ever met. Ever. Of all time. Brilliant, compassionate, caring... Hunter do everything you can to keep her because she is a treasure to literally the whole of mankind! Understands her students- is fabulous. I don't think I'll ever have as an amazing a professor again.
	Dear professor THANK YOU FOR BEING MY PROFESSOR, you are truly a hero
HR 22019 Sec: 01	This woman is a true asset to Hunter College's Human Right's Program. I am honored to have sat in class and learned with and from her. She truly believes in propelling her students forward. A phenomenal educator and an exceptional human being.
	Thank you Professor Russell-Brown for such an amazing and insightful course this semester! You are one of the kindest and most approachable professors that I've had while in college.
	What's not to love about Professor Russell Brown? She's amazing, and utterly brilliant in her field of work. It's been a complete honor to have been a student of hers, and I can't thank her enough for all of the doors she's opened for us. Amazing.
	A wonderful course. Professor Russell-Brown is very knowledgeable and always shares her wisdom and experiences with students. I enjoyed the very in-depth class discussions that took place, they were at times much more informative than a lecture would've been.
	Professor Russell-Brown is truly one of the kindest people I've ever met. She is passionate about the subject she teaches- and it shows. Although we had some class canceling, she made sure to let us all know what is going on.
	It was a pleasure taking said course. And interfacing with the United Nations as well. What ever becomes of AGI. I am sure it will be in great hands. Gracias por un gran semster.
	The class organization was very engaging and made it really easy to participate and give feedback on the assigned readings. The trips to the UN provided an amazing experience to learn even more and take what we learned in class and apply it in a different setting. The readings while long were fair and interesting as well. The professor is super kind and very helpful so you never feel intimidated in asking questions or seeking help if you need it.
	She is my favorite. Not just an extremely knowledgable scholar but an exceptionally kind, helpful and affectionate human being.
	Excellent professor, and a very humane person. I believe that her knowledge about extreme suffering as the result of multiple genocides gave her values not seen in many people in today's materialistic world. Thanks Professor Russell-Brown for your commitment in our education and well-being!
	Where to begin, one of Hunters greatest Professor's. For a very depressing topic, she made it lively and interesting. For

	someone with an extensive academic background, She made me comfortable to speak and express myself in front of the class without any intimidation. I will miss her!!!!
	Amazing professor, so knowledgeable about the topic and real life application of material
	Professor R-B was very encouraging, attentive and nice. She taught us very relevant material and her class really helped me learn a lot. I enjoyed it so much!
